

# JACKSON<sup>®</sup> TRANSFORMER CO.

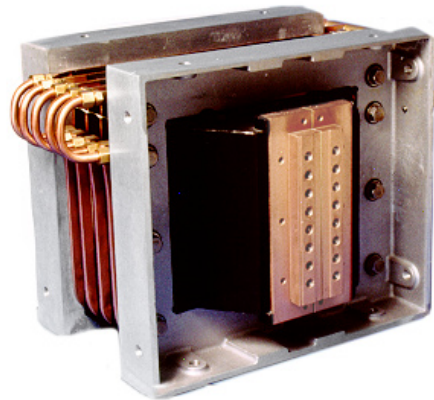

*Quality Magnetic Products*

## Repair *and* Recondition Services

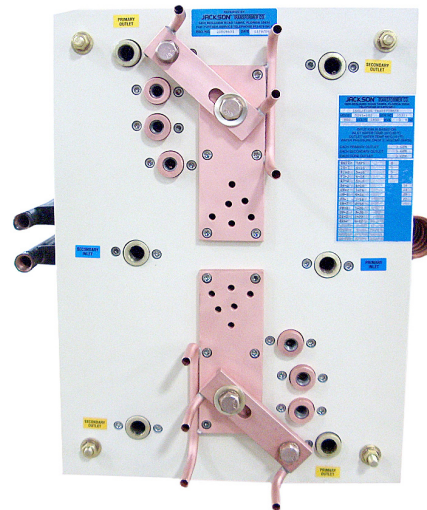

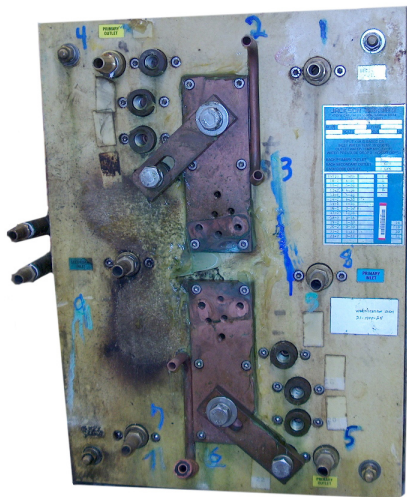

*Transformers are like new when we're through!*

**Before**

**After**

Who else would know more about rebuilding transformers than a company who develops, designs and manufactures them? We have been manufacturing transformers, reactors, integrated magnetics, and other quality magnetic products **SINCE 1955.**

For quality repairing or complete rebuilding of Induction Heating Transformers, regardless of the original manufacture

**THINK QUALITY...THINK JACKSON<sup>®</sup>**
